Southport Elementary School PTA is excited to host our ninth annual Dolphin Dash on March 15, 2024. The Dolphin Dash is a fun run and our PTA's most important fundraiser. The Dolphin Dash raises money through student pledges and corporate sponsorships. Our goal this year is to raise \$45,000 to install a new awning over our student drop-off and pick-up line. We will also use funds to continue to support our students' educational experience by providing improved technology, classroom supplies, classroom books and computer-based curriculum, providing school-wide assemblies, offering support for programs like Project Fitness, Battle of the Books, Science Olympiad, All-County Chorus, STEM night, and grade-level field trips. This direct investment in our children extends to teacher support through bi-annual teacher reimbursements and provision for classroom supplies.

There are two ways you can support our school and advertise your business.

1. Choose to put your company's logo on the t-shirt that Southport Elementary PTA provides to all students and staff. These t-shirts serve as walking advertisements in our community far beyond the day of the event.

-OR-

2. Choose to put your company's logo on a banner. Business sponsor banners line the campus fence and remain on display for both school and community members for the remainder of the school year.

SPONSORSHIP LEVELS:

GOLD SPONSOR – A **\$500** donation can choose between:

- A large, single-color business logo placed on the back of each shirt **OR**
